

BULLETIN CONTESTANTS SHIFTING PLACES CONSTANTLY; THREE NEW LEADERS TODAY

VOTE GROWS WITH EACH DAY OF BALLOTING

Miss Lela Dinklage of District No. 1 Polls Highest Individual Vote

The Bulletin contest for popular ballots cast for popular girls is becoming the most talked of thing in the city. There is no other topic of conversation in which so much interest is taken by the many supporters of the contestants entered in the race, and the supporters include members of every home circle in Hawaii.

Three leaders in the contest change today. Miss Lela Dinklage retains the highest individual vote cast, and leads the entire contest for high honors. Miss Hattie Ho and Miss Silva remain the lead in their respective districts. District No. 1 is certainly a hummer and even the optimistic manager can not get a line on the possible winner in this district, as there are many entered from that district and most all are close together, and a single club subscription today would place those in seventh and eighth position at the top of the list. The 5000 special ballot ofered this week has struck a popular chord, and all are working for a club of these NEW yearly subscriptions.

The Evening Bulletin Popular Voting Contest

Fill in the name of the young woman you wish to vote for and the district in which she lives. Bring or mail to Manager Contest Department, care of Evening Bulletin, Honolulu, T. H.

THIS COUPON COUNTS AS ONE VOTE FOR

Miss
District No.

(This coupon is not good after Monday, Feb. 8th.)

the name of the young woman whom you are voting for and the ballots will be filled out in full and you may hold the ballot as long as you desire or give them to the contestant and she can hold them or cast them just as she sees fit, as all ballots issued on subscriptions are good until the close of the contest, but if they are left blank, they would then be transferable, and there could be a combination, at the last minute, to enable these not entered at the present time, to win, but votes are not transferable and there is absolutely no chance of a combination, which makes it absolutely fair to all the contestants.

Short Contest

The contest is of short duration and will close some time about the middle of March. The exact date will be decided upon in a few days. This will be the shortest contest the Bulletin has ever conducted and is made short, in order that the work will not become tiresome to the contestants. Each contestant should commence to-day to ask their friends for support and tell them to help you now and not stand you off with promises of support, as it will be hard for you to call on them again. Each contestant is furnished with receipt books and those who have not secured a book at our store should call on the Contest Manager and secure one and have your friends pay you their subscription and you bring the money to the office and the ballots will be issued to you in person; don't depend on your friends to come to the office and pay but have them pay you on your first visit, and it will be easier for all concerned to roll up a large vote. Your friends may mean all right when they tell you they will vote for you later, but something may happen that they will neglect to come to the office and pay; therefore it is the surest way to secure their subscription, to call on them at once and ask them to pay you in person, and you are then sure of the vote.

How to Vote

Subscribers who depend on the mails to bring their subscriptions to the Bulletin office, must always state when they want their votes cast for, always mention the contestant's name and whether you want the votes published at once or returned to the contestant. It is best to return all ballots to the contestant and she will then know who is voting for her and can keep track of her friends who have voted, and then will have more time to call on those who have not paid their subscription and in this way she can make a thorough canvass of all her friends, and it will make the work much easier for her. Send your subscription direct to the Contest Department and the votes will be issued for the one you state and they will be returned to the contestant with your name on it, and she can hold the ballots back until the close of the contest, but ballots will not be issued unless the contestant's name appears on same, which makes it a safeguard against all combinations, while often arise in contests of this nature and makes it absolutely fair for the contestant, as no contestant can then withdraw from the race and transfer her votes to someone else.

Subscription Blanks

Candidates should call on the Contest Manager at once and secure subscription books, and there are a number of things he would like to tell you, in regard to the best way of securing votes. Call at once at the Bulletin office.

Sacramento Reports a Fine Case

A fine example of a recovery in a case of kidney disease that was supposed to be incurable is reported from Sacramento, Mr. T. T. Gibson of 521 Ninth street, Sacramento, was in October last in a local hospital in the Capital City, swollen with the dropsy that often attends the serious and supposed incurable form. As is usual in these cases the hospital treatment got no results, when he was advised to try FULTON'S RENAL COMPOUND by a friend (Charles A. Newton, the yardmaster of the S. P. R. R. Co., at Sacramento, who had himself been cured by the treatment). Dropsy began to subside and the renal inflammation gradually abated and Gibson is now back to his employment with the S. P. R. R. Co., after recovering from a disease that is rated as incurable the world over.

In a letter he has just written, he states, "I believe it has saved my life. It is the greatest remedy for kidney disease on earth."

No matter whether called "kidney trouble," "Nephritis," or "Bright's Disease," the real difficulty is INFLAMMATION OF THE KIDNEYS. FULTON'S RENAL COMPOUND is the first and only remedy for inflamed kidneys that the world has ever seen. Send for literature.
